## **Sheepscoot Valley Health Center welcomes Natalie Ledue, FNP**

COOPERS MILLS—Natalie Ledue, FNP will be joining the medical staff at Sheepscoot Valley Health Center this fall. She recently obtained a Master of Science in Nursing, Family Nurse Practitioner degree at Boston College William F. Connell School of Nursing, MA. Natalie is a Nurse Corps Scholarship recipient. This competitive program is administered by U.S. Department of Health and Human Services, Health Resources and Services Administration. Scholarships are awarded to nursing students in exchange for a commitment at an eligible healthcare facility with a critical shortage of nurses. In 2016, Natalie obtained a Bachelor of Science degree in Biology from St. Michael's College, VT.

“I am thrilled to be returning to my home state of Maine to work with our community members at Sheepscoot,” shared Natalie. “I am passionate about community-based healthcare and addressing the social determinants of health that impact Mainers on a daily basis. As a clinician, I value shared decision making between provider and patient, and I look forward to learning from each other as I embark on this new journey. I am honored to be joining a great team at Sheepscoot Valley Health Center. Outside of healthcare, I enjoy hiking, dancing and exploring the Maine Coast.”

Natalie will be joining will be joining physician Kathryn Wistar, podiatrist Henry Scheuller, physician assistants Zachary Wissman and Rachel Moore, family nurse practitioner Amber Shepherd, and psychiatric nurse practitioner Marta Hall.

Sheepscoot Valley Health Center is part of HealthReach Community Health Centers, a group of eleven Federally Qualified Health Centers in Central and Western Maine. Dedicated providers deliver high quality medical and behavioral healthcare to citizens in over 80 rural communities. To ensure access to everyone, HealthReach accepts Medicare, MaineCare and major insurances. In addition, an Affordable Care Program is available to uninsured and underinsured residents as well as assistance with applications for programs that help with the cost of healthcare and medications including the Health Insurance Marketplace.

A private, non-profit with a 44-year history, HealthReach is funded by patient fees, grants and by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling \$4,053,390 with 82.5 percent financed with non-governmental sources. The contents are those of the author and do not necessarily represent the official views of, nor are an endorsement by, the HRSA, HHS or the U.S. Government.
